Our vision is a community
where **all children are safe** and
free from abuse.

December 10, 2019

Ms. Clarissa Markewicz
[REDACTED]

Dear Ms. Markewicz,

Bivona Child Advocacy Center's goal is to focus on children as a priority as they begin their healing journey following the trauma of abuse. Nothing can be more powerful to help us accomplish this goal than your kind gift of \$5.00 received on 11/27/2019 in honor of the Hold the Door Open Program.

Children come through our doors wanting help, searching for hope, and needing to heal from the trauma of abuse. **The incredible impact you make in choosing Bivona as the recipient of your generosity affects the lives of children and their families in our community and beyond. You've provided them with hope.**

I want to personally thank you for your generosity and for surrounding these children and families in what is likely one of the worst times of their lives. Your support helps us continue our work with local schools, giving kids the tools they need to recognize and prevent abuse. While it may seem that our vision of ending child abuse is a monumental one to take on, we stand a better chance when we work together. Support from people like you is key to making this vision a reality.

With hope, healing, prevention, and education— your donation will help change the lives of so many. Saying thank you doesn't quite feel like enough, but I mean it from the bottom of my heart.

If you would like additional information about Bivona, have an interest in receiving a tour, or have any questions, please feel free to contact me directly at drosen@BivonaCAC.org or (585) 935-7808.

With warmest gratitude,

Deb Rosen
Executive Director

About Bivona Child Advocacy Center:

At Bivona Child Advocacy Center, our 24 partner agencies provide critical, comprehensive services in a safe, child-friendly environment. We work together under one roof to protect, evaluate, treat, and counsel children who have endured the trauma of abuse. Our coordinated approach minimizes trauma to children and preserves the best evidence for investigators. Since our doors opened in 2004, we have evaluated over 20,000 children. Did you know that Bivona has a 4 out of 4-star rating from Charity Navigator in recognition of our fiscal health and transparency? I am proud to report that we are also in the elite 8% of charities to receive six or more consecutive 4-star ratings, indicating that Bivona Child Advocacy Center outperforms most other charities in Monroe County.

Ms. Clarissa Markiewicz
[REDACTED]

Dear Ms. Markiewicz,

Thank you.

Your donation to the Dystonia Medical Research Foundation (DMRF) is powering scientific discoveries and sustaining unique programs to benefit individuals and families impacted by all forms of dystonia.

We are so grateful for your generous gift of \$5 in honor of Holding the Door Open Program.

With your continued support we have aggressive plans to continue to pursue innovative research that will lead us closer to our goal of finding a cure. From genome editing studies to partnerships to pursue new treatments to providing opportunities for the next generation of experts to utilize the latest technology, we are committed to exhausting all possible lines of investigation to increase the understanding of dystonia and expedite discovery of a cure.

Ensuring that everyone affected with every form of dystonia has a place to turn for information and support is a strategic priority. Last year, more than 50,000 people received information from the DMRF and that number continues to grow. To meet that need, the DMRF has plans to host education and awareness meetings across the country, in addition to online topical webinars.

Thanks to you, the DMRF is able to be there for every patient and every family struggling with every form of dystonia and there to fuel the next research discovery and we will continue to be here until there is no longer a need.

From all of us at DMRF, thank you for your extraordinary support.

With gratitude,

Janet L. Hieshetter
Executive Director
